Hi Catherine and Tracey,

I've emailed you both separately from the chain to arrange a time to meet, rather than going back and forth with residents. Setting up an official CD4/HUNC meeting to address these concerns, in an organized public forum, would promote cooler heads and an exchange of ideas in a controlled environment.

Please let us know when you are both available and our board will accomodate your schedules.

Warmest Regards,

Greg Horos

13th could work if we find a venue other than Annex. PLUM has it reserved for the 14th.
